Digitalise your event

Tech-Ready Spaces

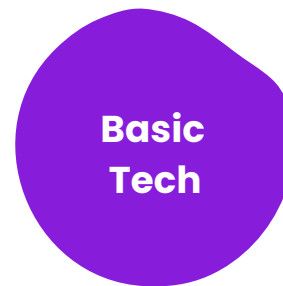

Want to share your event online or connect with remote participants? All our event spaces are BYO tech-friendly, with HDMI connection points & screen access to make setup seamless.

Our team will help you get set up, whether you're presenting slides, streaming a session, or recording a podcast. You're welcome to bring your own equipment with no extra cost.

We keep it flexible so you can use the tools & technology that best fit your event.

BYO device & connect easily to our in-room screens & speakers via HDMI.

If you're planning to livestream or record, simply BYO setup or use a licensed AV provider — we'll coordinate access & logistics to make it easy.

Note: Stone & Chalk does not provide internal hybrid or livestream production services.

Spaces

Experience the buzz of Melbourne's innovation community, where ideas & collaboration thrive.

All our spaces are designed to inspire connection, collaboration, & creativity – right in the heart of Melbourne's innovation precinct.

Each area has been thoughtfully created to spark conversation & bring people together no matter the event type!

We're here from first walkthrough to pack-down. Our team is invested in every event's success, offering a site visit to plan your setup & ensure no detail is left to chance. Every booking includes a dedicated onsite team member to welcome guests, support AV needs, & help everything run smoothly.
